

Montessori and afterschool at Westwood club Leopardstown

Afterschool Club

Our afterschool club caters for Children aged 4-12 years of age and a bus collection service operates from some schools in the local area. We have a quiet, supervised homework room where children can spend as long as they need to complete their work

We understand that when the Children finish their school lessons, they need a place to go where they can have fun and exercise. Not only do we provide quality care and support for the Children, we also offer a wide range of extra activities that the Children enjoy immensely.

Activities include:

Swimming

Teen gym

Adventure zone

Arts and crafts

Baking

Children receive sandwiches or fruit on arrival and a hot meal at 4.30pm

Montessori

Our Irish and English speaking classrooms cater for Children aged 3-5 years.

Here at Fitzone Montessori, we aim to not only teach the Children in our Montessori class as a group, but also individually. Each Child that goes through our class will progress through each stage of learning in their own time. During this time, the Children will develop the necessary skills to prepare them for school.

Our Montessori curriculum that is put in place not only teaches the Children on each subject covered. It is created in a way so as to make it fun for the Children. For example; through crafts, games, physical exercise, show and tell etc. A full breakdown of the Curriculum can be shown during a viewing of the facilities.

Full time Children will receive two light snacks and one hot meal per day.

Activities include:

Swimming

Giggle and Wiggle

Arts and crafts

Baking
